

We Need You!

The Learn and Return Health Care Bursary will be administered through the Morden Area Foundation. This endowed fund will generate funding for this bursary now and for generations to come.

You can be part of ensuring expanded health care at BTHC or MMC by making a gift to this bursary through the Morden Area Foundation.

A \$100,000 fund will generate a bursary of \$5,000 every year. Help us make this bursary a reality.

Building a Better Community Together Forever

The Morden Area Foundation is a charitable organization that manages and invests gifts from individuals, families, and other organizations. The interest earned on these gifts is returned to our community, supporting local charities through financial grants.

The Foundation enables donors big and small to help improve Morden and the surrounding area through charitable giving.

Learn and Return Health Care Bursary

The Boundary Trails Health Centre expansion is set to be completed in 2025.

We need trained staff and your financial support to make this happen.

**MORDEN AREA
FOUNDATION**
Invest. Partner. Build.

The expanded Boundary Trails Health Centre will feature the following:

- New, state of the art operating room
- Expanded emergency department
- Cancer care, double in size.
- 24 new inpatient beds
- A level 2 nursery
- Palliative care, dedicated space with increased capacity
- Echocardiography Suite providing over 1660 scans per year – fewer trips to Winnipeg
- Ambulatory care clinic, expanded
- State of the art, advanced health center pharmacy
- Cutting edge simulation lab
- Child and youth rehabilitation services on site
- Centralized public health education and home care

Specialized staff need to be trained and available. How can you help make this happen?

Learn and Return Health Care Bursary

This bursary will provide a financial award to a person entering or continuing post secondary studies leading to employment within the health care field and with subsequent employment at Boundary Trails Health Centre (BTHC) or Morden Menzies Medical Centre (MMC)

*Awarding of the Learn and Return Health Care Bursary does not guarantee a job placement at BTHC or MMC.

Eligibility

Applicants must live in the Boundary Trails Health Centre catchment area and must subsequently be employed for a minimum of one year at BTHC or the MMC.

How can you help:

- Support graduating students and those who decide to return to school to receive or further their health care education.
- Make a gift to the Learn and Return Health Care Bursary fund with the Morden Area Foundation.

All amounts will be gratefully received. Gifts to the Morden Area Foundation are eligible for a tax receipt. Online donations are processed without charge by The Winnipeg Foundation. Gifts can also be sent by cheque or e-transfer. When sending funds, please note the Learn and Return Health Care Bursary in the memo.

Cheques can be mailed to:

Morden Area Foundation
13 – 379 Stephen Street
Morden, MB R6M 0G8

E-transfers can be sent to:

info@mordenfoundation.ca

For your receipt, please include your name, mailing address and specify the Learn and Return Health Care fund in the message box.
